

Phibro Animal Health Corporation is a leading producer of specialty nutritional feed ingredients for the global animal industry. We are seeking applicants for a full-time **Supply Chain Coordinator** position in our Quincy, Illinois location.

Responsibilities include:

- Facilitate the fulfillment of direct ship customer orders directly from our supply base.
- Generate accurate and timely purchase orders to supply base.
- Negotiate and arrange transportation of inbound and outbound product while achieving cost and service targets.
- Shipment track and trace and carrier invoice reconciliation.
- Ship confirm outbound shipments.
- Utilize JDE MRP functionality to effectively fulfill product demand and reduce inventory carry costs.
- Proactively communicate supply issues and/or cost changes to appropriate internal stakeholders.
- Perform Supply Chain projects and analysis to support Company and individual initiatives and metrics.

A successful candidate brings the following combination of education and experience:

- Proficient at MS Office and MRP software (preferably JD Edwards).
- Possess quantitative skills to read and react to MRP messages.
- Motivation for continuous improvement.
- Self-starter with ability to multi-task and work independently.
- Procurement, inventory and/or logistics experience a plus.
- Bachelor degree preferred.

For immediate consideration, please forward your resume by 04/30/19 to:
